HELLO, WE ARE TOSH & SHEBA AND WE ARE GOING TO BE EUTHANASED ON 21ST JANUARY IF WE CANNOT BE REHOMED

Tosh and Sheba are only two of an increasing number of dogs who are either being abandoned in France or being put down because their English owners don't want them anymore.

These are two extremely loving dogs, brother and sister who were born on Christmas Even 2004. They are Border Collies crosses and have been fully vaccinated spayed and neutered. They do not chew when left alone and are house-trained.

These animal require a large enclosed garden and plenty of exercise, in return they will give you their loyalty for life.

PLEASE, THEY CAN'T ASK FOR THEMSELVES, BUT IF YOU ARE THINKING OF GETTING A PUPPY CONSIDER AN OLDER DOG.

IN ORDER TO SAVE THESE ANIMALS LIVES THEY CAN BE SPLIT UP

MY NAME IS TALLY & I WOULD LOVE TO COME AND LIVE WITH YOU.

Tally needs rehoming because her French owner is in hospital and cannot look after her. For 6 months she has lived in the Civray dog pound, some

of you may have seen her there.

We think Tally is about 8/9 years old. She has been micro-chipped, vaccinated and speyed, so is all ready to find a new and loving home, she is also totally clean indoors.

Tally loves other dogs and is a typical middle-aged Labrador, she will sleep all day if you let her, but enjoys long walks and having her tummy tickled. You could not find a more balanced dog if you tried.
